

# Care Champion AWARD

## PARK REGENCY CARE CENTER

For a valued employee recognized for their service and creating exceptional care experiences with our guests and team members.

*Congratulations!*

Carlos was nominated by staff, residents and multiple family members to be a “Care Champion.” Carlos has been voted for “Care Champion” by numerous employees at PRCC. One of the many things everyone can agree on are his dedication and hard work. He always greets you with a smile and he will ask if you need any help. His favorite saying is “Mucho Trabajo” (a lot of work). He quickly runs around the building helping out wherever he is needed and is always in a good mood. Most of the time, he will try to help resolve the problem even though it isn’t part of his job description. Thank you Carlos for your team work and trying every day to make this a better place for our residents.
